"TABLE RAPPING."-A worthy and pious correspondent wishes us to give a good, lengthy editorial on "Table-Rapping," and gives as a reason that many persons in his section, "are perplexed to know how it is that the table should The people of the section referred to, Apply to are not the only ones that have been perplexed by "table-rapping;" some of the wisest and best people have been sadly beset to know how such things are done. We have seen some of these strange things ourselves, and we remain until this day in a state of perplexity as to how it was done. There may be some occult science in the performance of tables, candle stands, chairs, sofas and such like articles of domestic comfort which time may bring to light, but while there are so many other matters to claim the attention and engage the thoughts of people, and Christian people espeially, we think it the part of wisdom not to bother our brains about table tipping and such like freaks. ** Our advice is, plant corn, raise peanuts, hoe potatoes and cabbages, get tar, turpentine, shingles, staves, tan-bark, dig sassafras-roots drive an ox-team, break rock on a turnpikedo anything that is honest and honorable, but don't meddle with tipping, rapping and dancing tables. - Richmond Christain Advocate.
